Solidarity with Turkey

Dear Mr. Ulusoy,

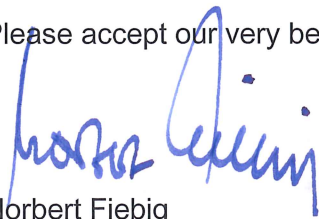

The devastating terrorist attack that took place today in Istanbul has touched us very much. We would like to convey our wholehearted condolences to the victims' families and the Turkish people.

Istanbul is one of the most popular travel destination in the world. Every year many German travelers are visiting the vibrant city with its ancient and modern sights and districts.

Dear Mister President, we would like to assure you the German travel industry's support and solidarity for Turkey, its tourism industry and wonderful people is deep and heartfelt. Furthermore, we wish to support you within the scope of our possibilities and means.

Please do not hesitate to let us know, if and how we could be of assistance to you.

Please accept our very best regards
