DINING

MALABAR: A Mediterranean chic ambience with discreet luxury, this oasis of tranquility whisks you away to another world. Bustling with a sophisticated vibe, the day-to-night pool and lounge area creates an inviting scene of sun-filled white day beds with transparent curtains flowing in an afternoon breeze, and earth-toned sofas surrounded by vine-covered walls glistening under a starry sky. Try a variety of multinational tastes such as wraps, tapas and new style sushi, complimented by a signature pomegranate mojito or cucumber martini in this mystic atmosphere. Malabar resident DJ refreshes your mood with relaxing ethnic and lounge tracks, and guest DJs lift up the atmosphere beat by beat at special summer parties.

CAFÉ TABAC: Indulge your palate at Café Tabac, a modern Mediterranean restaurant featuring Italian flavors created artfully by renowned chef Xenofon Polymeros. His long culinary experience is evident in the unique but ample menu with highlights such as the Dover sole on a bed of spinach or Tagliata of veal filet. Lunch and dinner are served in a soft-lit soothing atmosphere, highlighted by an attentive staff and first-class bar offering malt whiskies, fine cigars, as well as an excellent list of vintage wines. Ideal for business lunch meetings or romantic dinners, Café Tabac has justifiably become Vouliagmeni's favorite dining destination for both food connoisseurs and savvy, stylish travelers.

LOBBY-LOUNGE: The lobby lounge is the perfect all-day meeting place, with classy cocktails such as the cosmopolitan and an array of dishes available round the clock. A cozy yet vibrant ambience, with a crackling fireplace, detailed furnishings such as tree-trunk tables, paintings collected from around the world, and ethnic vibes mixed by the resident DJ, the lobby simply defines elegance. Just outside, the Moroccan-style patio, glistening with candlelight under an open sky, welcomes you to a relaxing haven. Perfect for conversation and premium drinks in good company or simply for unwinding with a good meal after a stressful day, the lounge allows guests to feel right at home.

NILAYA: Wake up and start your day with a dynamic breakfast at Nilaya, where made-to-order omelets are served "a la minute". Enjoy a traditional American buffet boasting a variety of baked goods, fruits, yogurts, eggs and snacks, and choose from a long list of fresh fruit drinks and coffee creations. Beautifully sitting at the edge of the pool and lounge area, Nilaya is the perfect place to enjoy your morning paper and coffee while allowing in the first sunrays.
