

Think South Africa.

Think Opportunity.

South Africa Re-Imagined – Provincial Trade and Investment Opportunities Showcase

Date: 2 to 28 February

Time: 10:00 – 12:00 (SAST)

Link: <https://lnkd.in/dkjZQVva>

South Africa is a land of natural beauty and diverse cultures. The country is rich in natural resources, with an advanced industrial base and supported by a dynamic services sector. Each one of South Africa's nine provinces offers a unique set of economic opportunities.

Key themes to be discussed:

- Trade and investment opportunities
- Tourism opportunities
- Special Economic Zones/Industrial Development Zones
