Dream of Turkey

You will observe how this hall is better than other similar and after combining labour, art and technology how it was transformed into a visual feast .

The "Dream of Turkey" is filmed and edited by producing various scenes over the footage of major touristic places of Turkey. The movie captures the audience with the combination of historical and natural beauties, variety of religions, nature sports and mythological tales of Turkey

**The unique beauty of the Bosphorus, Gladiator fights of the ancient Ephesus,
Enchanting whiteness of the Cotton Castles in Pamukkale, Mystical Brown of Cappadocia,
Crimson sun set of Mount Nemrut, Divine love of Whirling Dervishes, Mourning of Belkis,
The Queen of Sheba, Colourful world of the flamingoes**

Experience Istanbul and all over Turkey in 7D simulation system.

Discover hidden treasures and splendors of Turkey in a fascinating way.
Witness the memorable landmarks of Turkey, in glorious sights, sounds and effects.
Don't wait! Experience this amazing Turkish adventure and feel as if you were in this dream.
