## Condolence

Dear Mr. Ulusoy,

after the dreadful attack on new year's day in Istanbul I would like to convey our deepest condolences.

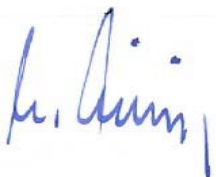

We are very sorry for the loss of life and feel for the families that have lost relatives to this ghastly act.

Hopefully, the remainder of the new year will turn out to be more peaceful and harmonious.

We wish you all the best and would like to assure you that DRV is standing firmly by your side.

Yours sincerely,

Sincerely,  
Yours

Norbert Fiebig  
President
